Congratulations, Class of 2019!

Graduation - Friday, May 24, 2019 @ 7:00 p.m.
Lake of the Woods High School Gymnasium

Class Motto: "Our Lives Are Before Us. Our Past Is Behind Us. Our Memories Are Forever With Us." unknown
Class Flower: Red Rose

Valedictorian: Julie Wojtiw-Quo
Salutatorian: Lexi Rennemo

Honor Students: Alicia Draper
Rebekah Fraser
Sydney Huftagle
Josiah Major
Julie Wojtiw-Quo
Jaylin Raschke
Lexi Rennemo
Kyle Schiro
Isaac Stephani

Other candidates for graduation:
Jade Chapman
Jagger Conway
Halle Dahl
Jewel Frahm
Skyler Husbargen
Tierra Husbargen
Erica Johnson
Isaiah Mason
J'Karay Matthias
Garrett McCloud
Joseph Putz
McKale Risser
Grant Stebakken

Food That’s In...When School’s Out!

Lake of the Woods School will be participating in the Summer Food Program again this year. The SFSP compliments the educational programs and activities that are scheduled at the Lake of the Woods School during the summer months, yet it is open to the entire community.

We welcome all children, 18 years and younger, to enjoy these meals free of charge. If parents accompany their children and would like to eat a meal, the adult price is $2.30 for breakfast and $4.05 for lunch.

The Summer Food Service Program (SFSP) is a federally funded program operated nationally by the U.S. Department of Agriculture. The Minnesota Department of Education, Food and Nutrition Services, administers the program through the Lake of the Woods School.

The dates and times are listed below.

Dates: June 10-14, 2019 and July 29-August 2, 2019

Time: Breakfast: 8:30-9:30 a.m.
Lunch: 11:00 a.m.—12:30 p.m.
Summer Escape 2019

SUMMER ESCAPE!

Breakout of your summer routine and join us and your friends for academic and recreational summer experiences.

June 10-14: S.T.E.A.M., Team Building, Geography, Outdoor Resources, Art, Cooking, Native American Culture, Stories, and Legends, and more!

July 29-August 2: Breakouts, Lego Robotics, Project Learning Tree, Team Building, Social Emotional Learning, and Cakes around the U.S.

Choose one week or two!
Off the Grid Field Trips planned each week!

What We Do

Summer Camp is open to all students who have completed Grades Kindergarten-Grade 7. It is FREE for Lake of the Woods Students! There are 2 different week long options for your student. You can choose to attend one or both. Class is held 9-3 daily with lunch and breakfast served daily. A school nurse is on location each day.

Non-LW School Residents

If you are not a student at Lake of the Woods, we are requesting a $5 per day or $25 per week Community Education fee to attend our summer camp in order to offset the cost of summer camp supplies. Funds are payable to LOW School.

Summer Camp Philosophy

We are committed to provide quality education to our students. Our summer camp is designed to be hands-on, active learning, focused on academics, social skills and team building.

Lake of the Woods School Board Members:

Lynette Ellis, (District #1)
Boyd Johnson, (District 2)
Corryn Trask (District 3)
Robyn Sontegard, (District 4)
Tim Lyon, (District #5)
Jeff Birchem, (District #6)

School board meetings are held the fourth Monday of each month.

Community Education:

Brent Cole - Coordinator
Lisa Beckstrand - Parent Educator
Nicole Gate - Parent Educator
Muriel Crandall - Paraprofessional

L/W School Administration:

Jeff Nelson, Superintendent/Elem. Principal
Brian Novak - Asst. Admin./Elem. Principal
Chad Hazelton - Dean of Students/Athletic Director

Community Education Meeting Date:

May 8, 2019 @ 4:30 p.m. in ITV

Transportation Available!

◆ Do you need school bus pickup for your child? _______yes______no
◆ Where will your child be picked up? ______________________
◆ Contact Reed McFarlane at 218-634-2510 Ext. 1302 or Jeff Nelson at Ext. 1506.
◆ Paul Bunyan Transit will be providing rides for Summer Camp at no cost to students who have completed Grades K-7. Call 218-463-3228 or 844-452-0407 Ext. 1 then 1 to see if you are in our service area and to book your ride.

Registration Due: May 10, 2019

Many students lose learning over summer and some students need more time on task to master content. Participation in summer learning programs may mitigate learning loss and can even produce achievement gains.

-The Wallace Foundation

The Education Plus publication is a production of Lake of the Woods School and Lake of the Woods Community Education. The Education Plus newspaper will be printed 3 times during the 2018-2019 school year and distributed to postal patrons in Lake of the Woods County. It is also available on our school’s website www.lakeofthewoodsschool.org

LW School Administration:

Jeff Nelson, Superintendent/Elem. Principal
Brian Novak - Asst. Admin./Elem. Principal
Chad Hazelton - Dean of Students/Athletic Director

Community Education Advisory Council and Wellness Committee members:

Jeff Birchem, Brent Cole, Brian Novak, Jeff Nelson, Coco Charlton, Lisa Beckstrand, Nicole Gate, Chad Hazelton, Jill Olson, Curt Stofbeek, Brenda Nelson, Amber Zemke, Karla Robida, Ducky Gens, Crystal Olson, Cindi McDougall, Carrie Davidson, Tammie Doebler, Buck Nordio, Cody Hasbargen, and Steve Johnson

Summer hours:

Mon/Wed - 5:00 a.m. - 9:00 p.m.
Friday - 5:00 a.m. - 4:30 p.m.
Tues/Thurs - 7:00 a.m. - 9:00 p.m.
Saturday - 8:00 a.m. - 4:00 p.m.
Sunday - 1:00 p.m. - 4:00 p.m.
Hours are subject to change.

NO HUNTING
“Under M.S. 609.66 Subd. 1d., it is a felony to hunt on school owned land when students are present for school related activities.”

Lake of the Woods School has nine Automatic External Defibrillators (AED). The AED’s are located in the cafeteria/commons area, by the multi-purpose gym/pool area, in front of the elementary office and in the east hall by the elementary playground entrance and in east end of high school area. One is also stationed in the nurses office and 3 travel with our sports teams.

For the pool schedule, visit www.lakeofthewoodsschool.org
Ticket-to-Read Program

Jeff Nelson

Retired teacher Marilyn Mai worked tirelessly to raise funds in order to share her love and passion for reading with the students at Lake of the Woods School. Her goal was to put books in the hands of every child in Pre-K through Grade 6. Each child would receive a $5 coupon. This “Ticket-to-Read” was used during the spring Scholastic Book Fair promotional “Buy One/Get One Free” (BOGO) sale. The “Ticket-to-Read” coupon, along with the BOGO sale, allowed children to get two books at no cost to them. Mrs. Mai was able to touch many young lives with her hard work and generosity. We are hoping to keep her dream alive by continuing the “Ticket-to-Read” Program.

Program Specifics

Over the last 7 years, the “Ticket-to-Read” program has provided approximately $10,600 to Lake of the Woods elementary students for book purchases. Research overwhelmingly supports reading books in the home to increase literacy:

*The only behavior measure that correlates significantly with reading scores is the number of books in the home. The Literacy Crisis: False Claims, Real Solutions, 1998

With Mrs. Mai’s retirement, our hope is to continue her efforts to impact literacy at our school with the “Ticket-to-Read” Program.

Sustainability

We are looking for community partners to help support our effort to get books in the hands of our students. We estimate that it will cost approximately $1,400 for each Pre-K through Grade 6 student to receive a $5 “Ticket-to-Read” Coupon. If you would like to help sponsor the “Ticket-to-Read” Program, you may call 218-634-2510 and contact Mrs. Tracy Cook at extension 1443, or Mrs. Cindi McDougal at extension 1504. We also welcome any suggestions or ideas you may have for keeping this program going.

School Board Recognition
Week February 18-22, 2019

These volunteer leaders are responsible for formulating school district policy, approving curricula, maintaining school facilities, and adhering to state and federal education law. Legal concerns and the complexities of school finance, including budgeting and taxation, require them to spend many hours in board training programs and personal study to enhance their understanding of these issues.

The Lake of the Woods School District joined school districts throughout the state to salute their local education leaders during Minnesota’s annual School Board Recognition Week February 18-22, 2019.

Lake of the Woods School Board Members showing their certificates for School Board Appreciation Week. Pictured are: kneeling, Tim Lyon. Standing (left to right) Jeff Birchem, Lynnette Ellis, Corryn Trask, Boyd Johnson and Robyn Sonstegard.

Baudette Public Library & Media Center

P.O. Box 739
Baudette, MN 56623
218-634-2329

The Baudette Public Library Summer Reading Program & Story Time will be on Tuesdays throughout the summer. The program will start on Tuesday, June 11th at 10:00 a.m. and run through August 13, 2019. a.m.

Dollipops will be here on Tuesday, June 18 at 10 a.m. Get ready to sing, dance, and laugh with the engaging, high-energy, highly interactive new kids’ show – The Dollipops! “Dolli” and “Pop” are sisters who have traveled all the way from Sweet Tart City to bring you on a magical and musical road trip that is sure to get kids (and their parents!) moving, grooving, and making memories. www.thedollipops.com

Appearing Tuesday, July 9 at 10 a.m. is the children’s show, Old MacDonald Had a Banjo, imagines a farm full of songs bursting out to entertain, educate, and involve the audience in singing, movement, and silliness. www.williamslibrary.org

Saturday, August 17 at 10 a.m., Rose Arrowsmith DeCoux presents “Brave Girls & Wise Women”. Tatterhood battles a band of trolls. Manka solves impossible riddles. Vasilisa dares to knock at the witch’s door. During heroines reclaim fairytales as fierce, funny, and feminine. The program is attended for ages 7-12. (Appropriate and enjoyable for teens, mixed-age audiences, adults. Stories will likely be too long for kids younger than 6.)

Lake of the Woods High School students do some pretty amazing things. Our students are fortunate to have some wonderful opportunities at school. One of these opportunities is to earn college credit while taking courses in high school. One of the courses available is College Statistics (Math 1150 through UM-Crookston). The students in this particular class work on a project in partnership with the Lake of the Woods Prevention Coalition - they work with LWPC to collect and analyze data in an effort to provide prevention and other services in our community. Through this project, students are able to use what they learn in their Statistics course in a very relevant and meaningful way. The administration at Lake of the Woods School encourages activities that are both student-led and rigorous. This project definitely fits that description. Students use their own interests to design survey questions for the student body. Then, they

“Helping you live your dream!”

To view your student’s lunch account balance, visit www.lakeofthewoodsschool
The Lake of the Woods HS Trap Team began its seventh season the first week of April returning a mix of veteran shooters and brand new to the sport newbies. “We lost a lot of seniors last year, especially on the girls’ side, from last year’s team”, said Coach Laine. We do return 3 of our top 5 shooters from a year ago, though.

The 2019 team has 38 members again and sports 6 girls this season. Our season is 8 weeks long with 2 weeks of practice, one rain out week, and 5 weeks of scoring. We shoot here in Baudette and are placed in a conference according to our team size and not the school size like other sports. Last year we finished second in our conference to Apple Valley High School. They are a school that have more people in one grade than we have in our entire school.

Senior shooter McKale Risser is our best returning shooter from last year’s team and he was the #1 shooter in the conference last year so we are expecting a great senior year from him. He, Tanner Nordlof, and Gunner Ferrier are returners from the boy’s state squad last year. We dominated the girls’ conference with 11 girls in the top 25 last year but, as stated earlier, lost a lot of girls to graduation last year. Sophomores Shayla Risser, Jasmine Fish, and Katelynn Nordine should be in the mix for the top ten girls in our conference this season.

Our second place conference finish was the highest we have ever finished in a season and Matt Grover and I think we have the ability to stay near or at the top of our conference again this year. To win the conference, you have to have some very good shooters at the top (we do) but you must have depth in the middle of your team to gain points in the weekly shoots. Last year our top 20 averaged 20/25 clays per round and I think we can be even better this year.

If early season results mean anything, we will be very competitive by the state meet. In the first week of practice, McKale and junior Griffen Sonnestegard both shot perfect rounds of 25 and we also had 3 24s and 2 23s to round out practice rounds. We have never had a perfect round shot this early so we are looking forward to some good scores this year.

Draper scores 1000 points

Things to think about during the lazy days of summer

Be prepared for fall sports
The lazy days of summer will fly by and before we know it, practices for fall sports will be starting. Is your child ready? A sports qualifying physical exam is required at least once every three years for student athletes. Sports physicals are offered at CHI LakeWood Health Clinic by appointment, call 218-634-1655. Let’s keep our young athletes safe to participate in sports. For more information about sports physicals, visit the Minnesota State High School League website at www.mshsl.org, click on Resources at the top and then click on Medical/Physical.

Be prepared for the next school year
As the anticipation for the first day of kindergarten, junior high or college builds for our children, parents can help to make sure they are ready. Children entering kindergarten, seventh grade, and post-secondary institutions have immunization requirements that must be met before classes start. These requirements are part of Minnesota's School Immunization Law. To get a copy of your child’s immunization record or if you have questions regarding what vaccines your child needs, please call me at the school or at CHI LakeWood Health. If you have concerns regarding the cost of vaccines, please check with your healthcare provider or public health to see if your child is eligible to receive immunizations at a reduced cost through the Minnesota Vaccines for Children Program.

Finally, a reminder that if your child needs to have medication administered during the school day, an authorization form needs to be signed by you and your medical provider. Medication needs to be in its original container. If you have any questions or concerns, please feel free to contact me during the school year at Lake of the Woods School, Monday through Friday between the hours of 8:00 am and 3:00 pm or at CHI LakeWood Health.

What is the difference between School Readiness and ECFE classes?
School Readiness is our weekly school classes for 3-5 year olds. The number of days a week for classes are determined by enrollment numbers, and funds. Each school year schedule can vary depending on these two factors.
ECFE (Early Childhood Family Education) classes are offered a couple nights a month in our regular classroom and are generally about an hour and half. These classes are open to all parents and their children ages birth to 5 years old. There is always a parent topic discussed at each class.
A couple of examples may be birth order, sibling rivalry, and discipline topics.

Who can attend the ECFE events?
ECFE events are open to all parents and their children ages birth-5 years old. Events are offered many times through the school year. Some examples from this past year are as follows: Fall Spook Walk, Carnival, Swim Night, and Preschool Prom.

Do we have fundraisers to help benefit our classes?
If our program classes are in need of extra funds we may have parents assist with a fundraiser event.

Please send registration form by May 31, 2019 to:
Nicole Gate
3008 24th St. NW, Baudette, MN  56623
*A copy of your child’s updated immunization records is required with your registration.

Head Start/Early Head Start Recruitment
Northwest Head Start and Early Head Start are currently recruiting children and families in the Lake of the Woods area for the 2019-2020 program year.
Head Start and Early Head Start are family focused, comprehensive, child development programs which provide activities, information, and assistance in the areas of education, health, family services, and parent involvement. The Lake of the Woods Head Start program serves eligible families with children who are 3-5 years old on or before September 1, 2019. This center-based preschool program currently operates four days per week at the Lake of the Woods School. If you are interested in applying for the Lake of the Woods Head Start program, call Pam Honnvedt or Katy Johnson at the Lake of the Woods School 634-9963 or the main Head Start office in Badger at 218-528-3227 or 1-800-568-5319.

To apply for the L/W Early Head Start program call the main Early Head Start office in Badger at 218-528-3227 or 1-800-568-5319.

Lake of the Woods School has nine Automatic External Defibrillators (AED). The AED’s are located in the cafeteria/commons area, by the multi-purpose gym/pool area, in front of the elementary office and in the east hall by the elementary playground entrance and in east end of high school area. One is also stationed in the nurses office and 3 travel with our sports teams.

Lake of the Woods Elementary Recognizes Perfect Attendance

Jeff Nelson
Lake of the Woods Superintendent

Encouraging regular school attendance is one of the most powerful ways we can prepare our children for success, both in school and in life. When we make school attendance a priority, we help our children get better grades, develop healthy life habits, avoid dangerous behavior and ensure that they graduate from high school.

As a parent, you can prepare your child for a lifetime of success by making regular school attendance a priority. If you have any questions or concerns about your child’s attendance, please contact your child’s teacher or school administration. We will work together to figure out the reasons for your child’s absences, whether they’re physical or emotional, and will develop a plan to provide support and services that will help set your child on the path to success.

Lake of the Woods Elementary will be recognizing students with perfect attendance each quarter during the 2018-2019 School Year. These students will receive a Certificate of Achievement, a pool pass, and other incentives. At the end of the year, students with perfect attendance are entered into a drawing for a new bike.

Lake of the Woods School would like to congratulate the following students for their perfect attendance for Quarter 2, Semester 1, and Quarter 3 of the 2018-2019 School Year.

Census Information

Lake of the Woods School is always updating school census information. Census numbers help determine the amount of levy funding that our Early Childhood Program receives from the State of Minnesota. When you are listed on our census, you will be notified of Early Childhood Screening dates and will receive important Early Childhood and Kindergarten information. Please call the District Office at 634-2735, ext. 1501.

For the pool schedule, visit www.lakeofthewoodsschool.org
STUDS members spent time writing up Positive Messages to every student in the elementary and high school. They hung them on the lockers after school so the elementary students arrived in the morning to positive messages to start out their day.

When asked 'Why they were doing?' This was some of the responses:

Billye: So, they feel good about themselves
Abby: So, they could see that they are important and matter.
Emily: So, they know they are loved.
Lilly: So that they know that even if they are small, they matter.

Great job STUDS members!!!

Kids ages 9-14 are encouraged to register for the upcoming Take-a-Kid Fishing event, which will be held on Wednesday, June 19 at Sportsman’s Lodge on beautiful Lake of the Woods! This will be our 22nd year of hosting the event. Typically, over 100 kids attend this event, which is FREE of charge. This program has been designed to teach kids the joy of fishing…a lifelong activity!!!

The day will began with all participants meeting at Sportsman’s Lodge at 9:00 am (No earlier PLEASE). They will then meet up with their guides for the day. Each young fisherman or fisherwomen will receive a bag of goodies, which includes a drink, snacks and a variety of prizes. All boats will return to shore at 4:00 pm to enjoy a delicious cookout for everyone, including family members. This is a great time to hear all the wonderful fish stores. Each child has the chance to win some wonderful door prizes, which includes fishing rods, life jackets, tackle boxes, coolers and other neat fishing gear. Two kayaks will also be given away.

Registration forms are available in the Community Education Office or the Pool Office at the Lake of the Woods School or on-line at www.lowtakeakidfishing.com. Registration deadline will be Saturday, June 1st. This year we are holding an early bird registration drawing...all registrations received or postmarked by June 1st will be entered into a drawing to win a Kayak. If you have any questions, please call Lisa at the pool office at 634-2735 ext. 1101 or lisa_b@lakeofthewoodsschool.org. Registrations need to be in to Lisa Beckstrand by June 1st. They can be dropped off at the school or mailed to Lisa at 132 School Forest Road SW, Baudette, MN 56623. We have openings available to the first 120 applicants. We are happy to continue this fine tradition here on Lake of the Woods.

On Thursday April 11, three volunteers from the Northland Chapter of the Red Cross presented the “Pillowcase Project” to third, fourth and fifth grade students from Lake of the Woods School. The students were taught about thunderstorms, tornados, home fires and how they can prepare, share their knowledge and stay calm during emergencies. Each student was given a pillowcase, provided by the Red Cross and Disney to color and take home with them. The students learned what items to put in the pillowcase and to keep it by their bed to “Grab and Go” in case of an emergency evacuation of their home. This project was presented in conjunction with Severe Weather Awareness Week throughout the state of Minnesota, National Weather Service and local governments.

If anyone is interested in becoming a local volunteer for projects like this, assisting after local fires or other opportunities the Red Cross offices, they can go to RedCross.org, call the Duluth office at 218-722-0071 of call Carol at 218-528-3349. At the present time there are no Red Cross volunteers east of the Roseau area. Anyone interested in this wonderful opportunity are encouraged to contact the Red Cross.

DINO-MITE Book Fair

Lake of the Woods School DINO-MITE Book Fair is marked as a success! Thank you all for your participation and support during our DINO-MITE Book Fair and for our fall book fair “Enchanted Forest”. The amount of Scholastic dollars earned during these book fairs was incredible. Our school will be able to order books from Scholastic for classroom teachers and for our school library with the Scholastic dollars earned.

We are continuing our efforts to raise funds for our “Ticket to Read” program which provides all elementary students a $5.00 coupon to put towards books at the Spring BOGO book fair. This amazing program allows us to provide books for students Pre-K through 6th grade at no cost to families. If you would like to contribute to our cause or would like more information about the “Ticket to Read” program please contact Cindi McDougall at Lake of the Woods School 634-2735 ext. 1504.

Winners during our “DINO-MITE” family event night were:
Pre-K – Melody Solar
Kindergarten – Brielle Hasbargen
1st – Simon Lorette
2nd – Gage Dorow
3rd – Jack Cook
4th – Jacob Sopkowski
5th – Bryce Hasbargen
6th – Shea Lein
High School – Lein
Adult Door Prize – Karen Ferrier

The Lake of the Woods School Community Ed sponsored an elementary swim club for students in grades K-6. There was a great turnout of enthusiastic swimmers with 52 students taking part. During the swim club, swimmers were introduced to how a swim practice is run, stroke development of competitive strokes and good sportsmanship. We ended our swim club with a swim meet, where parents, grandparents and friends could come and watch their swimmer compete. We appreciated all the support from the fans! The swim club was coached by Chelsea Anderson, Lisa Beckstrand and Penny Mio.
To view the District Calendar, visit www.lakeofthewoodsschool.org
Lake of the Woods School has nine Automatic External Defibrillators (AED). The AED’s are located in the cafeteria/commons area, by the multi-purpose gym/pool area, in front of the elementary office and in the east hall by the elementary playground entrance and in east end of high school area. One is also stationed in the nurses office and 3 travel with our sports teams.

Girl BB Ends Season with Awards

The girls basketball team ended the season losing in the first round of play-offs. The team finished with 15 wins and 11 losses. So of those eleven losses were close—within 8 points. The team’s average game was 18.4.

This year’s varsity consisted of five seniors, one junior, five sophomores, and a freshman. Coach Katie Pieper said, “It was a privilege to work with seniors who show such dedication and leadership.”
A memorable event was the double game during school. At one o’clock students and staff filled the gym to watch the girls and boys’ basketball teams play Clearbrook-Gonvick. The game was close but Clearbrook was ahead until the last 15 seconds when two 3-pointers were made, giving the girls their first win against C-G. Senior captain Rebekah Frazer said, “The Clearbrook games was the best game I’ve ever experienced. It was better than any game I’ve ever played.”
In the first round of play-offs, the girls played Kelihem/Northome. It was a close game but the team just couldn’t pull it off losing 67-73.

Hockey season
The 18-19 hockey season started with new leadership as Brent Olson stepped up to coach with Cody Hasburger as his assistant. The bears had a total of 25 regular season games and 1 playoff game. They ended their season with 10 wins and 16 losses. The team consisted of 4 seniors, 4 juniors, 3 sophomores, and 7 freshmen.

During the final season game against International Falls the boys paid tribute to the arena they grew up in with a final salute at the end. The Bears intense playoff game against Warroad had a score of 1-1 after the third period, the game ended with a 1-4 loss.

The teams had goals was our way to the 4th seed in the section tournament and the first at home playoff game win for 5 years for the program. If we can play to our fullest potential there is no reason we shouldn’t contend for a Northland Championship.

The team has been practicing inside, but still manages to get outside and throw around. Junior Gunner Ferrer explained, “We have a good team and I am expecting a lot of wins.”

Like the softball team, this team is filled with an assortment of younger players, with seniors from Rainy River High School and one senior from Lake of the Woods. Isaiah Mason. Isaiah said, “I’m looking forward to a good season.” The baseball team is scheduled to play away at Laporte on April 8 if weather permits.

For athletics/activities schedule visit www.lakeofthewoodsschool.org
Eight Baudette Girls Attend Rock the Capitol Event

By Emma Hasaragan

The local Women of Today Chapters hosted a trip to the State Capitol for a group of 25 girls from Baudette, Warroad, Roseau, and Greenbush. On February 17, the girls arrived at the Capitol and were greeted by the Women’s Consortium and the Department of Human Services for the annual Girls Rock the Capitol event, Lexie Romeno said, “I learned a lot and it was so much fun touring the Capitol Building.”

The girls were able to learn about how a bill becomes a law, how to vote, and how the three branches of government work. After touring the Capitol Building, they were able to watch the Senate discuss and vote on two bills. They met with Peggy Flanagan, the Lieutenant Governor, and discussed how she is the second Indigenous person to be voted into executive office in U.S. history. The girls were able to meet with two House Representatives and two Senators to ask questions and take pictures.

Freshman Jessica Acevedo said she loved trying a snickerdoodle cookie at the Cookie Cart and that the business helps students so much. She also thought “the architecture in the Capitol building was amazing.”

The group also visited Cookie Cart, which is a non-profit organization that provides training on how to manage a checkbook, invest money, and start a savings account for high school employees. The girls also share stories of their small-town, everyday lives and compared it to the girls working at Cookie Cart, who were their age and went to big schools.

The Women of Today are thankful for all of the donations and fundraisers that made this experience possible. This event is something that they hope to do on a more frequent basis. Donations are always welcome in order to plan the next trip to inspire our youth.

A Night of Fun: Holiday Ball

Layannah, attendee, shared some laughs and got low dancing to Pua Rida.

Kennethly Weather (7) shows off her awesome moves.

Jasiah Mason (12) celebrates his win with his friends.
Student Council raises money for cancer

The student council has started a fundraiser called "pennies for patients." It’s a fundraiser aimed at raising funds for kids with blood cancer such as Leukemia and Lymphoma and is done all across the country. Each class at our school had a container, and the class who put the most money in their container got dessert treats such as ice cream, brownies, and ice cream Sundays.

Junior High Knowledge Bowl

The Jr. high knowledge bowl team finished this year having gone to a total of 5 meets for this fast-paced academic competition. With seven people participating this year, they took two teams of three and an alternate to their meets. The team consisted of freshmen Johanna Bircham, Jade Estling, Sierra Castle, Ashley Brown, Brittany Fish, Gabriella Storkson, and Jessica Acevedo. Sadly, Lake of the Woods, who has a strong history of State appearances, did not have a senior high knowledge bowl team this year as no coach was available.

At their latest meet, the junior high team placed 15th out of 36. Two of the times they were sixteenth out of 36 and another was twenty-two out of 36. At their best meet they got fourth place. Ribbons are awarded to sixth place, and this year the team only left one meet without a ribbon.

Where is Williams?

Many of us judge how close we are to the small town of Williams by the sight of the mighty grain elevator. But not anymore! As of Tuesday, March 26, the elevator was torn down at about 2:45 pm. The elevator was built in 1947 and stood strong for over 70 years. The elevator had a capacity of 40,000 bushels of grain. Over the years the elevator held anything from spring wheat, winter wheat, rye, and barley for local farmers.

After the demolition of the tower it was hauled to the Lake of the Woods County solid waste station. Construction will start soon to build a new storage facility.

For the pool schedule, visit www.lakeofthewoodsschool.org

By Carter Olson

I asked student council member Kodi Jonassen what he thought about the whole fundraiser and he said, "It feels really good to raise money for kids that have these types of illnesses. Maybe with this money they'll find a cure, hopefully they do.”

Boys Basketball season comes to an end

By Denton Thompson

Chad Hazelton returned again to coach the boys basketball team alongside new assistant and JV coach, Shaquille Solomon. The season had many ups and downs. This was due to the small amount of players the varsity team had. Many of the JV players had to step up and play with the varsity. They had a fun season but it came to an end at their playoff game against the Chargers at Grygla-Gaithe. Tanner Norddol, the team captain, said, "We played strong in the second half but we just didn’t have it in the first.”

With the end of the season we had to say goodbye to our seniors. We lost four players including: Isaac Stephani, Jaylin Rushkie, T.J. Kaye Matthis, and Isaiah Mason.

Coach Hazelton has confidence for next season. He said, “Improvement comes during the off-season. I will try and help them all improve in the basics like dribbling, shooting and just overall staying in shape, so when they come back next season they will be ready.”

Awards were handed out at the basketball banquet. The awards included: Most Improved: Denton Thompson, Bears Award: Jaylin Rushkie, and All-Conference: Isaiah Mason and Tanner Norddol. The Bears leading scorer was Tanner Norddol with 369 points making his overall points 610. The Bears new star, Isaiah Mason, had 47 steals in his first season at Lake of the Woods.

Students Attend The Visual Arts Festival

On Wednesday March 20, thirteen Lake of the Woods High School students attended the MNHS Art Festival in Fostoria, Minnesota, with art teacher Wendy Storbeck. The contestants left at 5:15 in the morning and arrived at 8:00 am at the Fostoria High School. All contestants entered their artwork by 9:00 am and then attended a workshop of their choice. Acrylic Painting, Mosaic Art or Silkscreening. After the workshops, students went to the Fostoria Theater to watch "The Upside" while their artwork was judged from 10:00 am to 12:30 pm.

At 1:15, the awards were handed out to all contestants. Lake of the Woods High School received six Excellents: Angelica Million, Sofia Walton, Destiny Storbeck, Ella Pusche, Kesti Jonassen & Jasmine Fish. We also received four Superiors: Amber Adams, Talha Frahim, Halle Dahl & Ella Wurrike. Also, congratulations to the two Best Shows, Halle Dahl and Talha Frahim. Talha created a digital art photo, called 'Bees' and Halle Dahl created a Mosaic.

"It was a great experience and it was fun to see so much talent in one place," said Mrs. Storbeck.

NHS Members Meet Their Goal

The National Honor Society had a successful turn out at the 2019 Blood Drive on March 13. In total NHS had about 50 students, staff members, and locals volunteer to donate. United Blood services finished the day with a total of 38 units of blood, exceeding the goal of 35 units they had hoped for.

Each NHS member brought in food and drinks, such as, cookies, breakfast bars, brownies, and juice, for the volunteers to snack on throughout the donation process. The snacks and drinks became many of the students favorite part. Senior Skyler Hasbargen said, "My favorite part about donating blood is getting to eat all the food afterward."

NHS members were surprised by the number of people coming in to donate throughout the day. NHS Co-President Rebekah Fraser said, "We constantly had people signing in and waiting for their turn to donate blood." Even though not everyone was able to donate Mrs. Hasbargen, NHS advisor, was happy to see all the students willing to participate and help at the event. NHS advisor Mr. Krause was also extremely excited to see all of the students and adults who helped the NHS members meet their goal of 35 donations. He commented, "I'm enthusiastic for next year and hope we have an even better turnout." The Lake of the Woods NHS members would like to thank all the volunteers for their donations and their participation in the event.

At Lake of the Woods, students who donate or attempt to donate three times, earn a red cord to wear at graduation.

Community Education/Pool Classes/Activities

Community Ed Class Registration
Registration forms for Community Ed spring/summer classes/activities will go out to all elementary students at Lake of the Woods School and registration forms may also be picked up in the Elementary, High School, Pool and Community Education offices. A registration form is also included in this paper. Class registration and payment is required. Many classes have a minimum number of people needed to offer the class, and if enough people have not registered and paid one week prior to a class, the class will be cancelled. All checks are to be made payable to Lake of the Woods School (American Funds only).

Adult Weight Room Membership
Call Brent in the Community Education Office for more information: email brent_c@lakeofthewoodsschool.org or 634-2735 ext. 1503.

Summer Band Lessons
Lake of the Woods Band Department is offering summer band lessons the week of August 19-23, 2019. Students entering fifth through twelfth grade are eligible. Each registrant will have five private lessons with Mrs. Tange. School instruments are available for use. Registration fee is $40, plus cost of lesson book and/or music. Students will bring home pamphlets in May with more information. All lessons taught by Liz Tange in the band room.

Baseball/Softball 2019
Registration forms were sent home with the students.

Walking Track - The Lake of the Woods School is locked during the school day.
During the school year walkers must sign in at the elementary office, or the high school office or the District Office and receive a visitor’s pass. During the summer months, please sign in pool office or the district office. The walking track is open Mon/Wed/Fri 5:00 a.m.-9:00 p.m., Tues/Thurs 7:00 a.m. - 9:00 p.m. Saturday 8:00 a.m. - 4:00 p.m. and Sunday 1:00 p.m. - 4:00 p.m. (during pool hours).

Lake of the Woods School Facility Use, Policies, and Procedures
The Community Education Department coordinates use of all school facilities and equipment beyond the regular school day. School functions take priority. School activities may be scheduled subsequent to approval and the affected party will be notified if that situation occurs. The use of facilities is governed by policies and regulations approved by the Board of Education. No activities will be scheduled on legal holidays. For more information contact the Community Education Office.

NO HUNTING
“Under M.S. 609.66 Subd. 1d., it is a felony to hunt on school owned land when students are present for school related activities.”

Prairie Fire Children’s Theatre will be presenting "Alice in Wonderland" August 11-17, 2019

Prairie Fire Children’s Theatre will be presenting “Alice in Wonderland” August 11-17, 2019 at the Lake of the Woods School auditorium. The auditions will be on Monday, August 12th starting at 8:00 a.m., rehearsals will run Tuesday thru Friday. Auditions for specific parts take place the first day of camp from 1 to 3 p.m. followed by the first rehearsal for some cast members. Children need to be prepared to stay the entire two hours, and some of the characters may need to stay longer. Your child’s rehearsal schedule for the rest of the week will depend on the part he or she receives, so flexibility for pick-up/drop-off times is needed. Specific schedules will be passed out after auditions. Rehearsal times will fall between 12:30 and 4:45 p.m. on Tuesday, Wednesday, and Thursday. On Friday, rehearsal will begin late afternoon and will last right up to show time. All children must be 7 years of age by August 21, 2019. Performances will be on Friday, August 16th at 7:00 p.m. and Saturday, August 17, 2019 at 2:00 p.m. Tickets to the performances are $7.00 and can be purchased at the door. Please mark your calendars for this upcoming event sponsored by Lake of the Woods School Community Education.

Adult Basic Education
For more information on ABE (Adult Basic Education) Classes, please contact:
