**RE: Holiday Craft & Vendor Extravaganza, November 21, 2020 - Cancelled**

Vendors/Crafters:

The Lake of the Woods School has been closely following the news surrounding COVID-19 and its related public health concerns. By now, you have likely heard news of school and business closings as well the canceling of social and community events to prevent further spread of the virus. The Lake of the Woods School Community Education will be joining our community, state and national partners in working to limit and eradicate the COVID-19 pandemic by canceling this year's Holiday Craft and Vendor Extravaganza that was scheduled for November 21, 2020. There will be no rescheduling of this year's event.

We made this difficult decision to cancel because it doesn't look as though the Covid-19 protocols and guidelines would drastically change enough to allow Lake of the Woods School to offer this event.

We understand that this change may cause great inconvenience for you and are sincerely sorry. As a vendor at the extravaganza, we are happy to reserve your same spot at next year's event. Next year's event is tentatively scheduled for November 20, 2021.

We have considered the possibility of offering an event next spring or summer. Maybe a "Spring Fling" or "Christmas in July"?

Please contact me if you have any questions at [cece\\_c@lakeofthewoodsschool.org](mailto:cece_c@lakeofthewoodsschool.org) or 218/634-2735 ext. 1504. Thank you for your patience and understanding. We are all in this together!

Sincerely,

Cece Charlton
