From the Principal's Corner...

October 30, 2020

Dear Parents:

Conferences are a time to share success's your student is experiencing as well as address areas for improvement and how we can provide support. **Parent Teacher Conferences** are scheduled for November 19th and 24th 2:30 – 7:30. However, teachers will have additional times to meet through the two-week period. Please keep in mind, we encourage you to contact your student's teachers at any time that you have questions or there are difficulties with the class. If you would like to Zoom meet with a group of teachers at the same time, contact me by Wednesday, November 4th. After that date, all conferences will need to be scheduled separately with teachers. Teachers have created a Google Doc to sign up for Virtual conferences. Please sign up when you receive the email. It is our goal in the high school to connect with 100% of our parents.

Homecoming week is being planned by the Student **Council**. We will have dress up days throughout the week as well as Homecoming Royalty. Additional information will be sent out once the date is finalized.

Testing – Students in grades 7, 8, 9, 10 will take the ACT ASPIRE Test in November. Distance learners will receive an email from Diane Laine informing you of which days to come in for testing. Please encourage your student to do their best. Test results are used to determine programming as well as to represent the academic status of our district.

We are grateful to be able to maintain **Hybrid Learning** in the high school. We have worked on expectations and a schedule if at any time throughout the year the high school would have to change to **Distance Learning**. I've attached this document as well.

If you are dropping your student off for an **after school activity** on a day they are at home, please do not drop them off early. They cannot enter the building until after the school day ends. Thank you for your cooperation in this matter.

Please contact me if you have any questions or concerns at any time.

Sincerely,

Mary Merchant

High School Principal
