

## School Nutrition Program Consent for Home Meal Delivery Distance Learning School Year 2020-21

While in the Hybrid model students are offered meals for the next day to be picked up at the end of their in-school days, you do NOT need to complete this form for that. This form is to have on file in case we go to distance learning in the future. Delivery is ONLY available when students are full-time distance learning.

In the event that Lake of the Woods School goes to full distance learning, I \_\_\_\_\_ give consent to Lake of the Woods School to deliver meals to my home during distance learning related to COVID-19 for the 2020-21 school year.

I would like meals delivered to my home on all school days

OR

I will pick-up meals from the main doors of the school between 7:30-10:00 AM

I understand that household contact information may be shared with school staff, volunteer deliverers or private delivery vendors such as bus transportation contractors. I also give consent for meals to be left at doorstep if no one is home at the time of delivery or responds to the delivery. *I understand it is my responsibility to ensure the proper safety and protection of meals if no one is home.*

List the names of children (birth-18) in the household that you want to receive meals for.

In person high school students will take home with them their meals for the following day. All meals must be refrigerated immediately upon arrival at the students home. Please discuss your students schedule with them as we do not suggest that a student takes meals home for the following day if they are NOT GOING DIRECTLY HOME FROM SCHOOL. Some of our distance learning meals will be hot foods this year. All of these foods will be fully cooked and need to be reheated before consumed. FOR HOT FOODS- Heat all parts of food to an internal temperature of 165 degrees Fahrenheit. FOR COLD FOODS- Keep all foods cold. 41 degrees Fahrenheit or colder. ALL MEALS SHOULD BE DISCARDED IF NOT CONSUMED WITHIN 5 DAYS.

I understand, and have read and discussed with my student(s) the above information concerning the safe handling of my student's distance learning meals.
