Jeff Nelson, Superintendent

A Message from Superintendent Nelson

January 7, 2021

Due to the high levels of community transmission, on November 24th the school moved to following MDH's recommendation that schools use exclusion with evaluations and testing even for people who are experiencing only one less common symptom. Based on the decline in our county's positivity rate over the last few weeks and recommendations from local public health, the school will no longer be excluding staff and students from school when they are exhibiting only one of the less common symptoms. We will return to past practice based on the most updated COVID-19 Decision Tree for People in Schools, Youth, and Child Care Programs.
