From the Principal's Corner...

January 14, 2021

Dear Parents,

Happy New Year! I hope the break was a good time at home for your family. Hard to believe we are nearing the halfway point of the school year.

We are looking forward to a strong finish to the quarter/semester. Quarter 2/Semester 1 ends of January 22nd. Please have your high schooler(s) go into Google Classroom for each of their classes to see what needs to be completed and submitted by next Friday.

Reminder to register with me for the CNA class through CHI LakeWood Health by Friday. The class will be offered at the high school at 2:30 second semester. Students can send me an email to register. There will be an initial meeting with the instructor on 1-20-21 at 2:30 p.m. via Zoom.

As much as I would like to see all students in the building every day, we need to comply with Hybrid requirements and maintain 50% and 6' distancing. With that said, we are able to allow students to come in on an individual temporary basis. If a student needs additional classroom time to be in class on an at home day, they need to email me, request the date(s) with each teacher and then let me know. If a teacher is unable to have them in their classroom, we can arrange time in the office during that class period. This needs to be preapproved through me so we can assure we are following protocols.

Teachers are also available to help students before and after school most days. If a student needs additional help, they can also arrange time from 8:00 – 8:30 a.m. and after 2:30 p.m.

If there is a day with inclement weather and school is not in session in the building, it will be a distance learning day for all high school students. All students will need to check into their first hour class, Zoom with classes that are scheduled to Zoom meet and complete and submit assignments for all other classes.

Reminder there is no school on Monday, January 18th. It is a Teacher Workshop day.

Please contact me at any time if you have any questions or concerns!

Sincerely,

Mary Merchant
High School Principal

Go Bears!
