## From the Principal's Corner...

February 26, 2021

Dear Parents,

Week two and all is well! Students are settled in to the routine of everyone here every day and are doing a great job of following protocols.

**PLEASE complete the daily survey** on Synergy at home for all your school children. The high school is having 60 students a day that have not completed the daily survey and this really takes away from class time as well as time out of Lisa Beckstrand's day for other commitments she has to address.

As previously stated, students can complete this on their phones. I am more than happy to assist with a temperature check before school if they need to complete at school.

**Mid quarter grades for third quarter** were generated on February 25<sup>th</sup>. Deficiency notices will be sent out Monday. Please contact teachers with concerns or questions. Everyone who has failed classes from 1<sup>st</sup> semester has received information on credit recovery. Let me know if you need any assistance in this area.

Junior parents, watch for a mailing regarding information on the ACT. Students need to sign up by March 22<sup>nd</sup> for testing on March 30<sup>th</sup>.

Tardies for students are accumulating. For each 5 tardies students receive, they are assigned noon detention for 3 days. This will begin next week.

Students who would benefit from tutoring or reteaching in math will have the opportunity not just before or after school but also during 5<sup>th</sup> hour. Mr. Larson is available to work with students as needed. Prescheduling is necessary.

Seniors please check your email account for information on **scholarships**.

Please let me know if you have any questions or concerns.

Sincerely,

Mary Merchant

**Go Bears!**
